

Photo Waiver and Consent

I consent to the following authorization for my child/children:

By becoming a member of the PRC and/or registering for a class you authorize the PRC, and its Partners, Donors, and/or Teaching Artists (collectively, "Authorized Third Parties"), to (1) publish the photographs and videos taken of you and/or the minor child(ren) you are enrolling for the use in the PRC's printed publications, website, social media, and training purposes and (2) in the case of Authorized Third Parties, to use in their social media. Since participation in such printed publications, website, social media, and training produced by the PRC or Authorized Third Parties is voluntary, neither you nor your minor child(ren) will receive financial compensation. In the event the PRC posts any photographs on the PRC's social media accounts, you grant the PRC a non-exclusive, royalty-free, worldwide, sublicensable license to share such photograph(s) on Authorized Third Parties' social media accounts.

You further agree that participation in any printed publication, website, social media, and training produced by the PRC or Authorized Third Parties confers no rights of ownership in your or your minor child(ren) whatsoever. You release the PRC, its affiliates, Authorized Third Parties, and its and their officers, directors, members, managers, representative, agents, employees, successors and assigns from any and all liability for any claims by you or any third party arising out of or related to your participation or the participation of your minor child(ren).

If you do not wish to have images of you and/or your child used by the PRC you must notify the office directly before attending events and or classes.
